

Sge:no Applicant:

The Six Nations Language Commission is pleased to welcome applications for grassroots community language projects.

APPLICATION CRITERIA

The following criteria will be used in establishing eligibility, but does not guarantee shortlisting or approval:

- a. Application - only one application and proposal per organization or group will be accepted.
- b. Purpose - the members of Six Nations of the Grand River Territory must benefit from this proposal and the proposal must support the mission and vision of the Six Nations Language Commission. Please ensure the proposal has a focus or direct impact on the promotion of languages and language revitalization in our community now and for years to come.
- c. Timeline Terms – Proposals must be for projects with an anticipated completion date of December 31, 2024 or earlier.

The SNLC acknowledges that there are some smaller volunteer projects within the Six Nations community that would be seeking small grants for specific proposals. The maximum amount that will be granted under this Grassroots stream will be **\$15,000.00** per application.

Given the many areas of need concerning language in our community, the SNLC will be required to make decisions about which projects to fund and, in many cases, excellent proposals that meet the eligibility criteria will not be funded or will not receive the full amount of requested funding.

ALL SECTIONS MUST BE COMPLETED.

Please note that should your organization be allocated funding from the Six Nations Language Commission:

- Any resources or recordings acquired or created from your project must be submitted for community language use **before the end of your project.**
- Your budget must include funding acquired from external sources to avoid duplication and ensure transparency.
- Applications will be scored by the SNLC Board and if it is not immediately funded, your application will be kept on file should funds become available throughout the year. Projects may be provided partial or full grant funding.
- **One (1)** electronic copy of your complete application is required. If more space is needed to answer questions, please include a separate sheet, and indicate the section as well as the corresponding number of the question you are answering.
- All applications require letters of support and prior years' results (if available).

SIX NATIONS LANGUAGE COMMISSION 2023 FUNDING APPLICATION

All applications will be reviewed by the SNLC Board and if more information is required, contact will be made with the applicant by the SNLC Coordinator. The request for further clarification or additional information in no way implies that your project has been approved. Failure to submit the requested information by the time specified can result in your project not being approved.

Projects are considered by the SNLC where they contribute to creating a critical mass of speakers; and contribute to the vision of the SNLC that all Haudenosaunee languages will be chosen as the ordinary means of communication for everyday use.

The deadline date for applications is October 13, 2023, at 4:00pm.

No late applications will be accepted.
